www.personalwebstudio.com

INTRODUCTION

Personal Web Studio is a results-driven digital agency focused on helping businesses build a strong online presence. We specialize in delivering high-quality digital solutions that empower startups, brands, and businesses to grow, scale, and stand out in a competitive market.

What We Do

We offer a wide range of digital services tailored to meet modern business needs:

1. **Web Development** – Custom, responsive, and high-performing websites
2. **Digital Marketing** – Strategies to increase visibility, traffic, and conversions
3. **Branding & Logo Design** – Creating strong and memorable brand identities
4. **App Development** – Scalable and user-friendly mobile applications
5. **UI/UX Design** – Intuitive and engaging user experiences
6. **WhatsApp AI Automation** – Automating the Whatsapp lead handling

Industries We Serve

We work with a diverse range of clients across multiple industries, helping them build and grow their digital presence:

Startups & Entrepreneurs

Small & Medium Businesses (SMBs)

E-commerce Brands

Corporate & Professional Services

Real Estate & Construction

Restaurants & Hospitality

Beauty & Wellness

Education & Coaching

Our Mission

To help businesses grow by delivering impactful digital solutions that combine creativity, technology, and strategy.

Our Vision

To become a trusted digital partner for businesses worldwide by consistently delivering quality, innovation, and measurable results.

We don't just build digital products—we create solutions that drive real business growth.

WHY WE'RE HIRING

As Personal Web Studio continues to grow, we are actively expanding our client base across India and international markets. With increasing demand for high-quality websites, applications, and digital solutions, we are looking to scale faster by collaborating with driven individuals who can help us connect with potential clients.

Instead of following a traditional hiring model with fixed salaries and limitations, we believe in a performance-driven opportunity that rewards initiative, effort, and results.

We are introducing a **Sales Partner model** designed for ambitious individuals who want the freedom to work on their own terms while earning significantly based on the value they bring. This model allows you to take ownership of your work, close deals independently, and earn a high, uncapped commission without any restrictions.

Whether you're a student, freelancer, or working professional, this opportunity is built for those who want to grow financially, build real-world experience, and be part of a fast-scaling digital agency.

WHY THIS OPPORTUNITY IS DIFFERENT

In today's world, traditional jobs limit your earning potential with fixed salaries and rigid schedules. At PersonalWebStudio.com, we believe your income should reflect your true potential. That's why we've created a performance-based opportunity where you can earn without limits, learn valuable sales skills, and work on your own terms. Whether you're a student, freelancer, or someone looking for an extra income stream, this program gives you the freedom and support to grow financially—without any upfront investment.

Benefits:

No Investment Required

Start your journey without paying anything. No hidden fees, no risks—just pure opportunity.

Free Professional Training

Get access to step-by-step training on lead generation, client communication, and closing deals.

Unlimited Earning Potential

There is no cap on your income. The more deals you close, the more you earn.

100% Flexible Work

Work anytime, from anywhere. No fixed hours, no pressure—you're your own boss.

ROLE: SALES PARTNER

As a Commission-Based Sales Executive at PersonalWebStudio.com, you will play a key role in driving business growth by connecting clients with our digital services. This is a performance-driven opportunity designed for individuals who want to earn based on their skills, effort, and results—without being restricted by fixed salaries or traditional job structures. You'll have the freedom to work independently while gaining real-world sales experience and building a strong income stream.

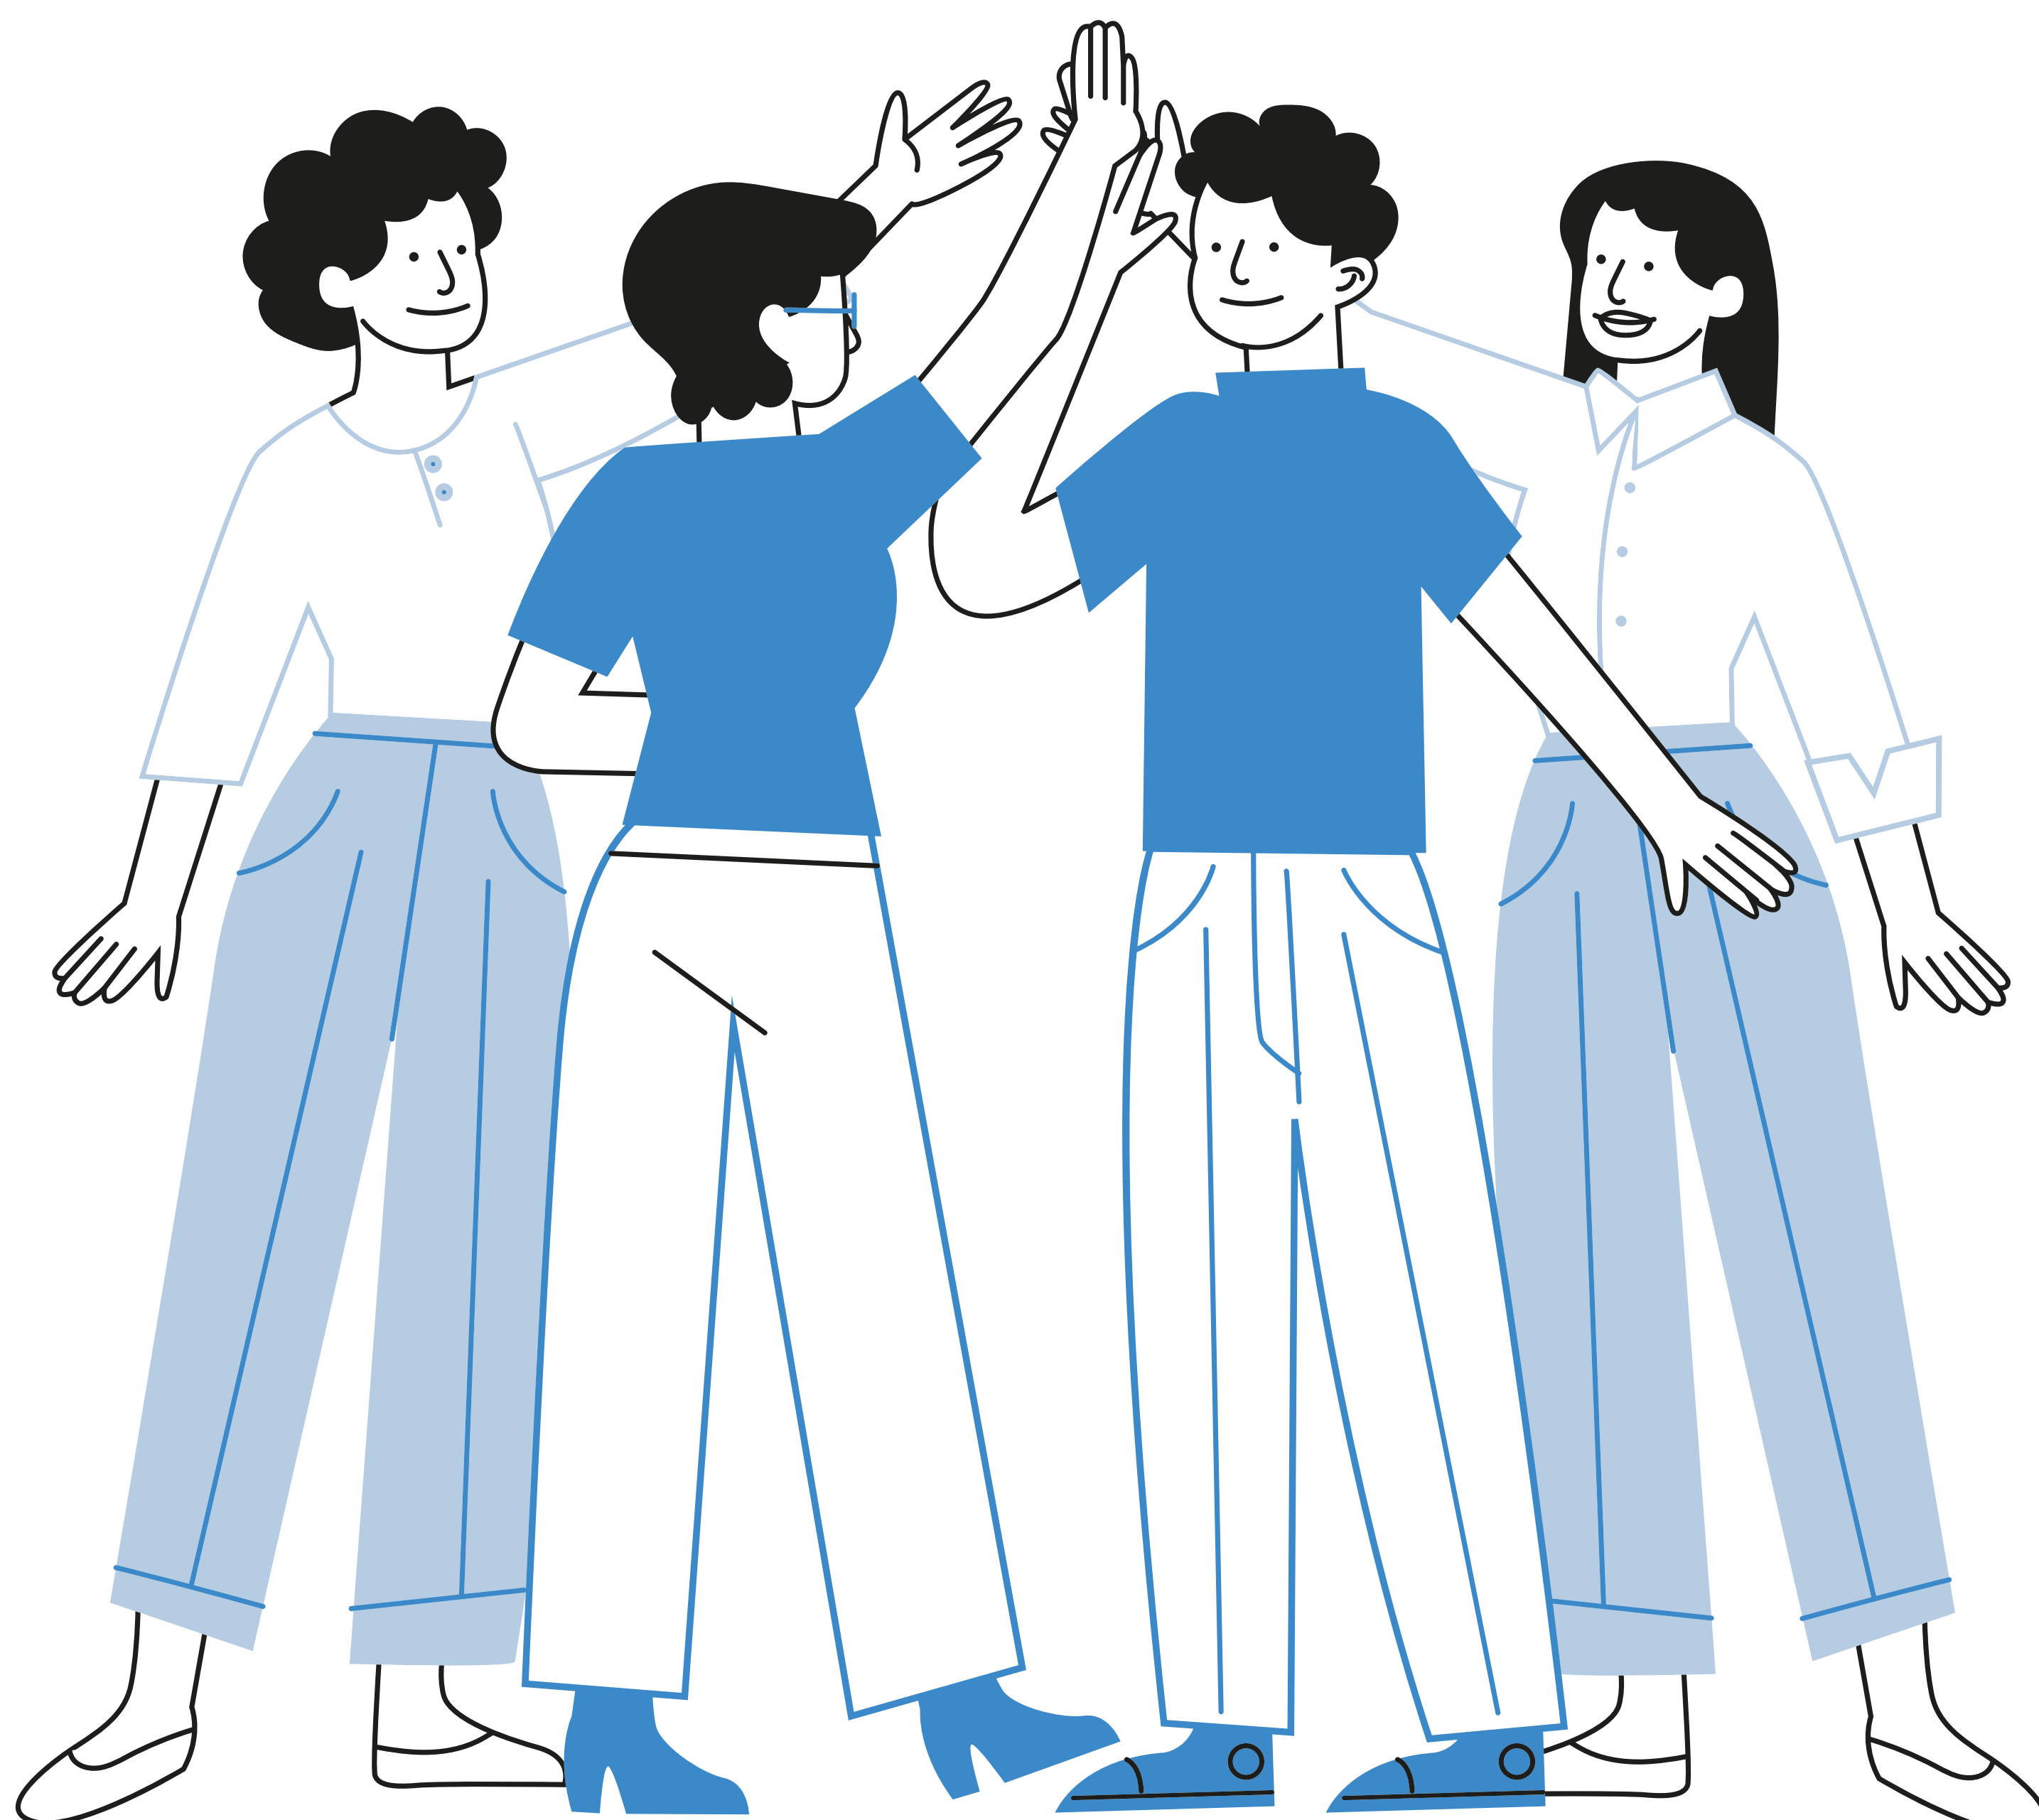

Requirement Understanding

Client Communication & Pitching

Deal Closing

Lead Generation

Project Handover & Coordination

Role Details:

Position:	Commission-Based Sales Executive You will be responsible for identifying potential clients, pitching our services, and successfully closing deals for web development and digital solutions.
Work Type:	Freelance Opportunity Remote Flexibility Self-Paced Workflow
Compensation:	Zero Fixed Salary High Commission Model (Massive 20% Commision) Instant Payouts Unlimited Income Potential
Responsibilities:	Identify and generate potential leads, Communicate with clients to understand their needs, present suitable services, Successfully close deals while coordinating with the internal team for smooth project execution.

Who Is This For?

Students

Looking to earn while studying and gain practical business experience.

Freelancers

Who want to add an extra income stream without time restrictions.

Side Hustlers

Anyone looking to build a secondary source of income.

Sales-Driven Individuals

People who are confident, motivated, and passionate about closing deals and earning more.

HOW THIS ROLE WORK

Lead Generation

Identify and reach out to potential clients such as business owners, startups, founders, and brands who require digital services.

Client Communication & Pitching

Present our services confidently, explain the value we provide, and position Personal Web Studio as a reliable digital partner.

Requirement Understanding

Interact with clients to understand their needs, goals, and expectations in detail before proposing solutions.

Deal Closing

Negotiate and finalize deals at mutually agreed pricing. You have the flexibility to close deals at higher values based on your skills.

Team Coordination

Coordinate with the internal team to ensure smooth onboarding and successful project initiation after closing deals.

COMMISSION STRUCTURE

This is not a conventional job role — it's a high-income opportunity designed for individuals who want flexibility, independence, and performance-based rewards.

As a Sales Partner, you act as the bridge between clients and our execution team, taking full ownership of identifying opportunities and converting them into successful projects.

Project Value:	→	Rate	→	Your Commission:
Rs. 25000		20%		Rs. 5000

You successfully close a client for a ₹25,000 website project.
Once the client pays the advance, you instantly receive ₹5,000 as your commission.

EARNINGS POTENTIAL

Your income scales directly with the number and value of deals you close.

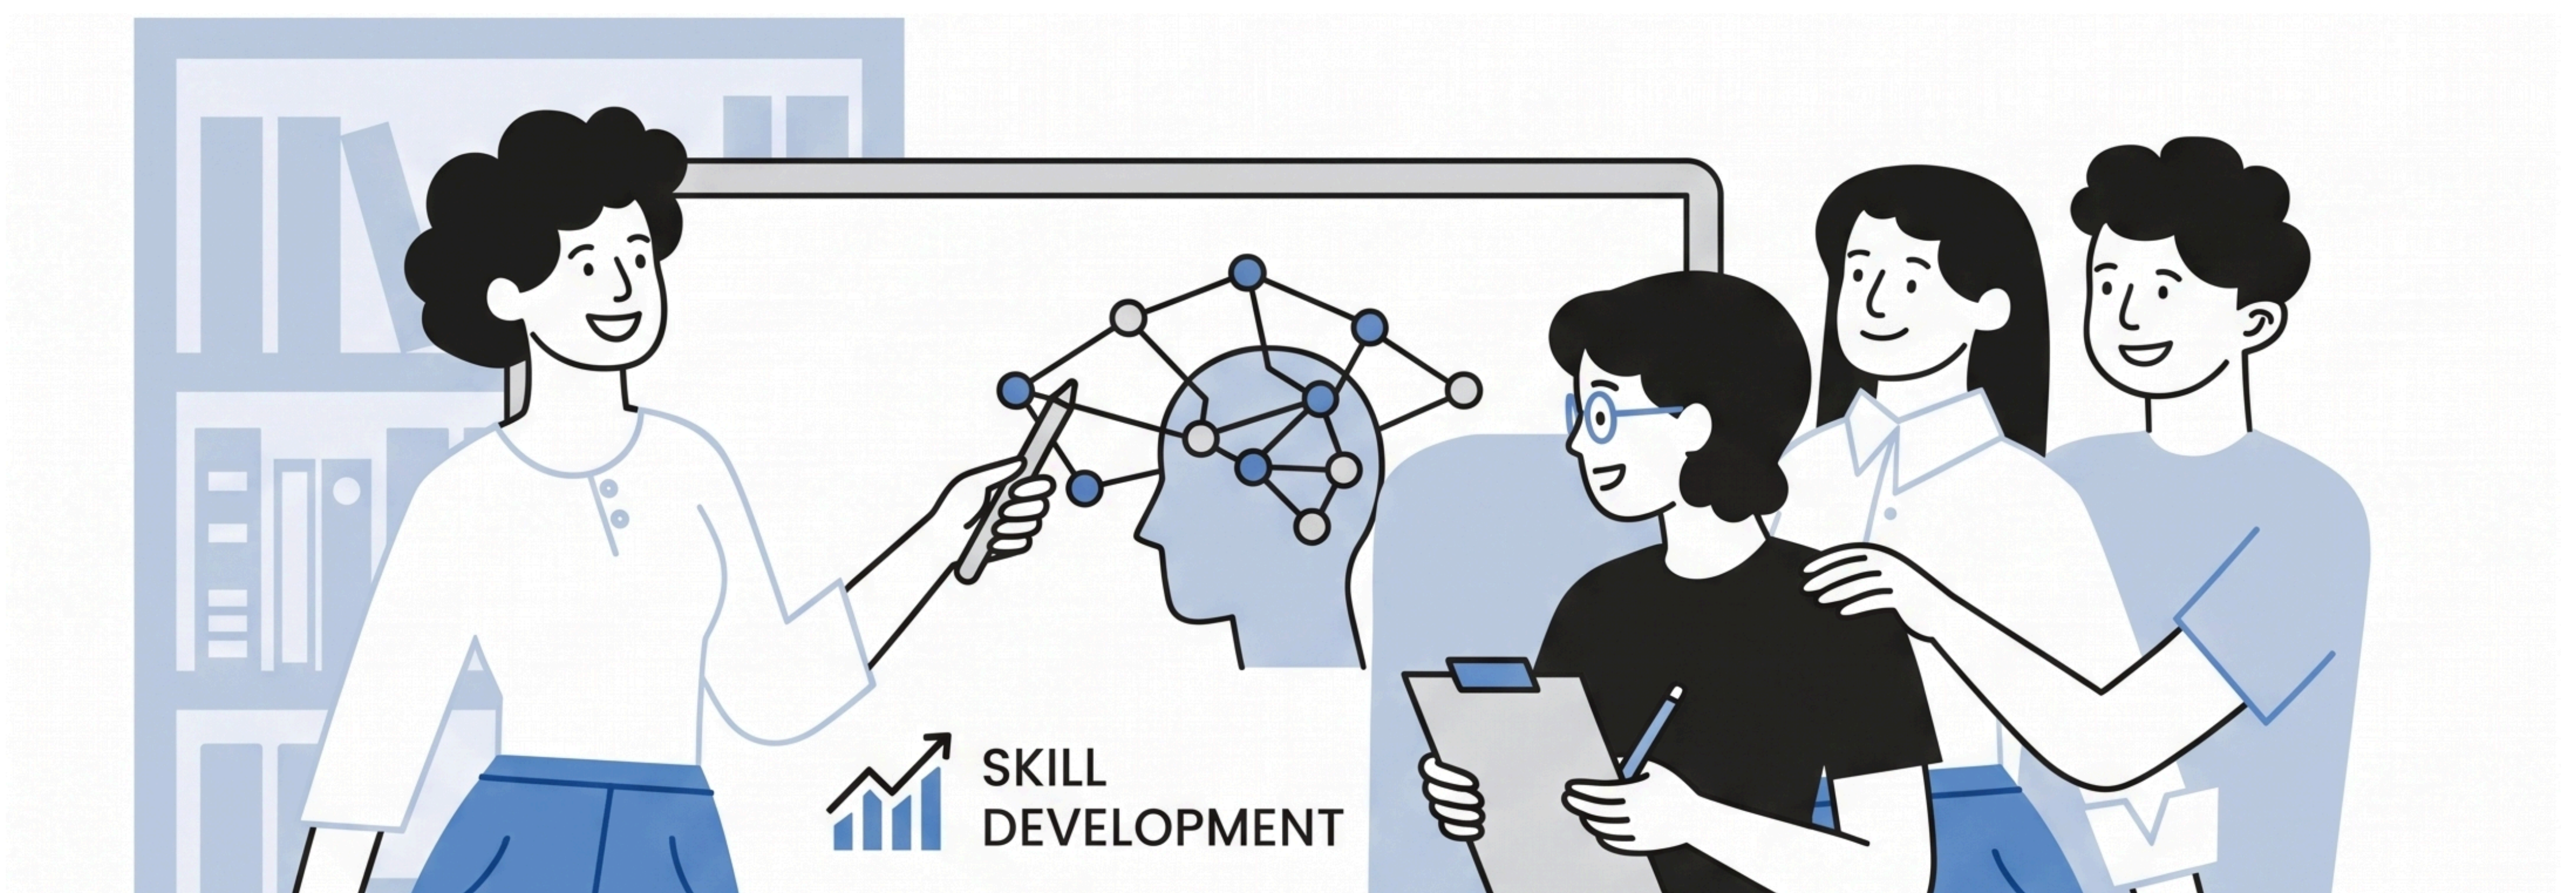

Close 2 deals of ₹25,000 → Earn ₹10,000
Close 5 deals of ₹25,000 → Earn ₹25,000
Close higher-value deals → Earn even more

This model is designed to reward performance without limits. The more value you create by bringing in clients and closing deals, the more you earn — simple as that. There are no caps, no restrictions, and no ceilings on your growth. Whether you close a few deals or scale to high-value projects, your earning potential is entirely in your hands.

TRAINING, SUPPORT & RESOURCES

We don't just give you an opportunity—we equip you with everything you need to succeed. From professional training to ongoing support and ready-to-use resources, our goal is to help you confidently generate leads, close deals, and maximize your earnings from day one.

Training & Support

Free Professional Training

Get access to structured training designed to help you succeed, including:

1. Proven lead generation strategies
2. Effective sales scripts & communication techniques
3. Practical closing methods to convert clients

Ongoing Support

Continuous guidance and assistance from our team to help you improve, solve challenges, and close deals more effectively.

1. Continuous guidance from our team
2. Assistance in handling client queries
3. Help in improving your sales approach over time

Training & Support

To help you perform at your best and close deals with confidence, we provide a complete set of resources and support systems designed to simplify your sales process and increase your success rate.

Portfolio & Past Work

Get access to our professionally executed past projects, case studies, and samples that help you build credibility and confidently showcase our quality to potential clients.

Pricing Structure

Receive a clear, well-defined pricing framework that makes it easy for you to present offers, handle negotiations, and close deals without confusion.

Sales Materials

Access ready-to-use sales resources including pitch content, service descriptions, and reference materials to support your conversations and improve your conversion rate.

Expert Guidance

Get continuous support and insights from our internal team whenever needed—whether it's handling a client, refining your pitch, or closing a deal.

Everything you need to succeed—tools, support, and systems designed to help you close more and earn more.

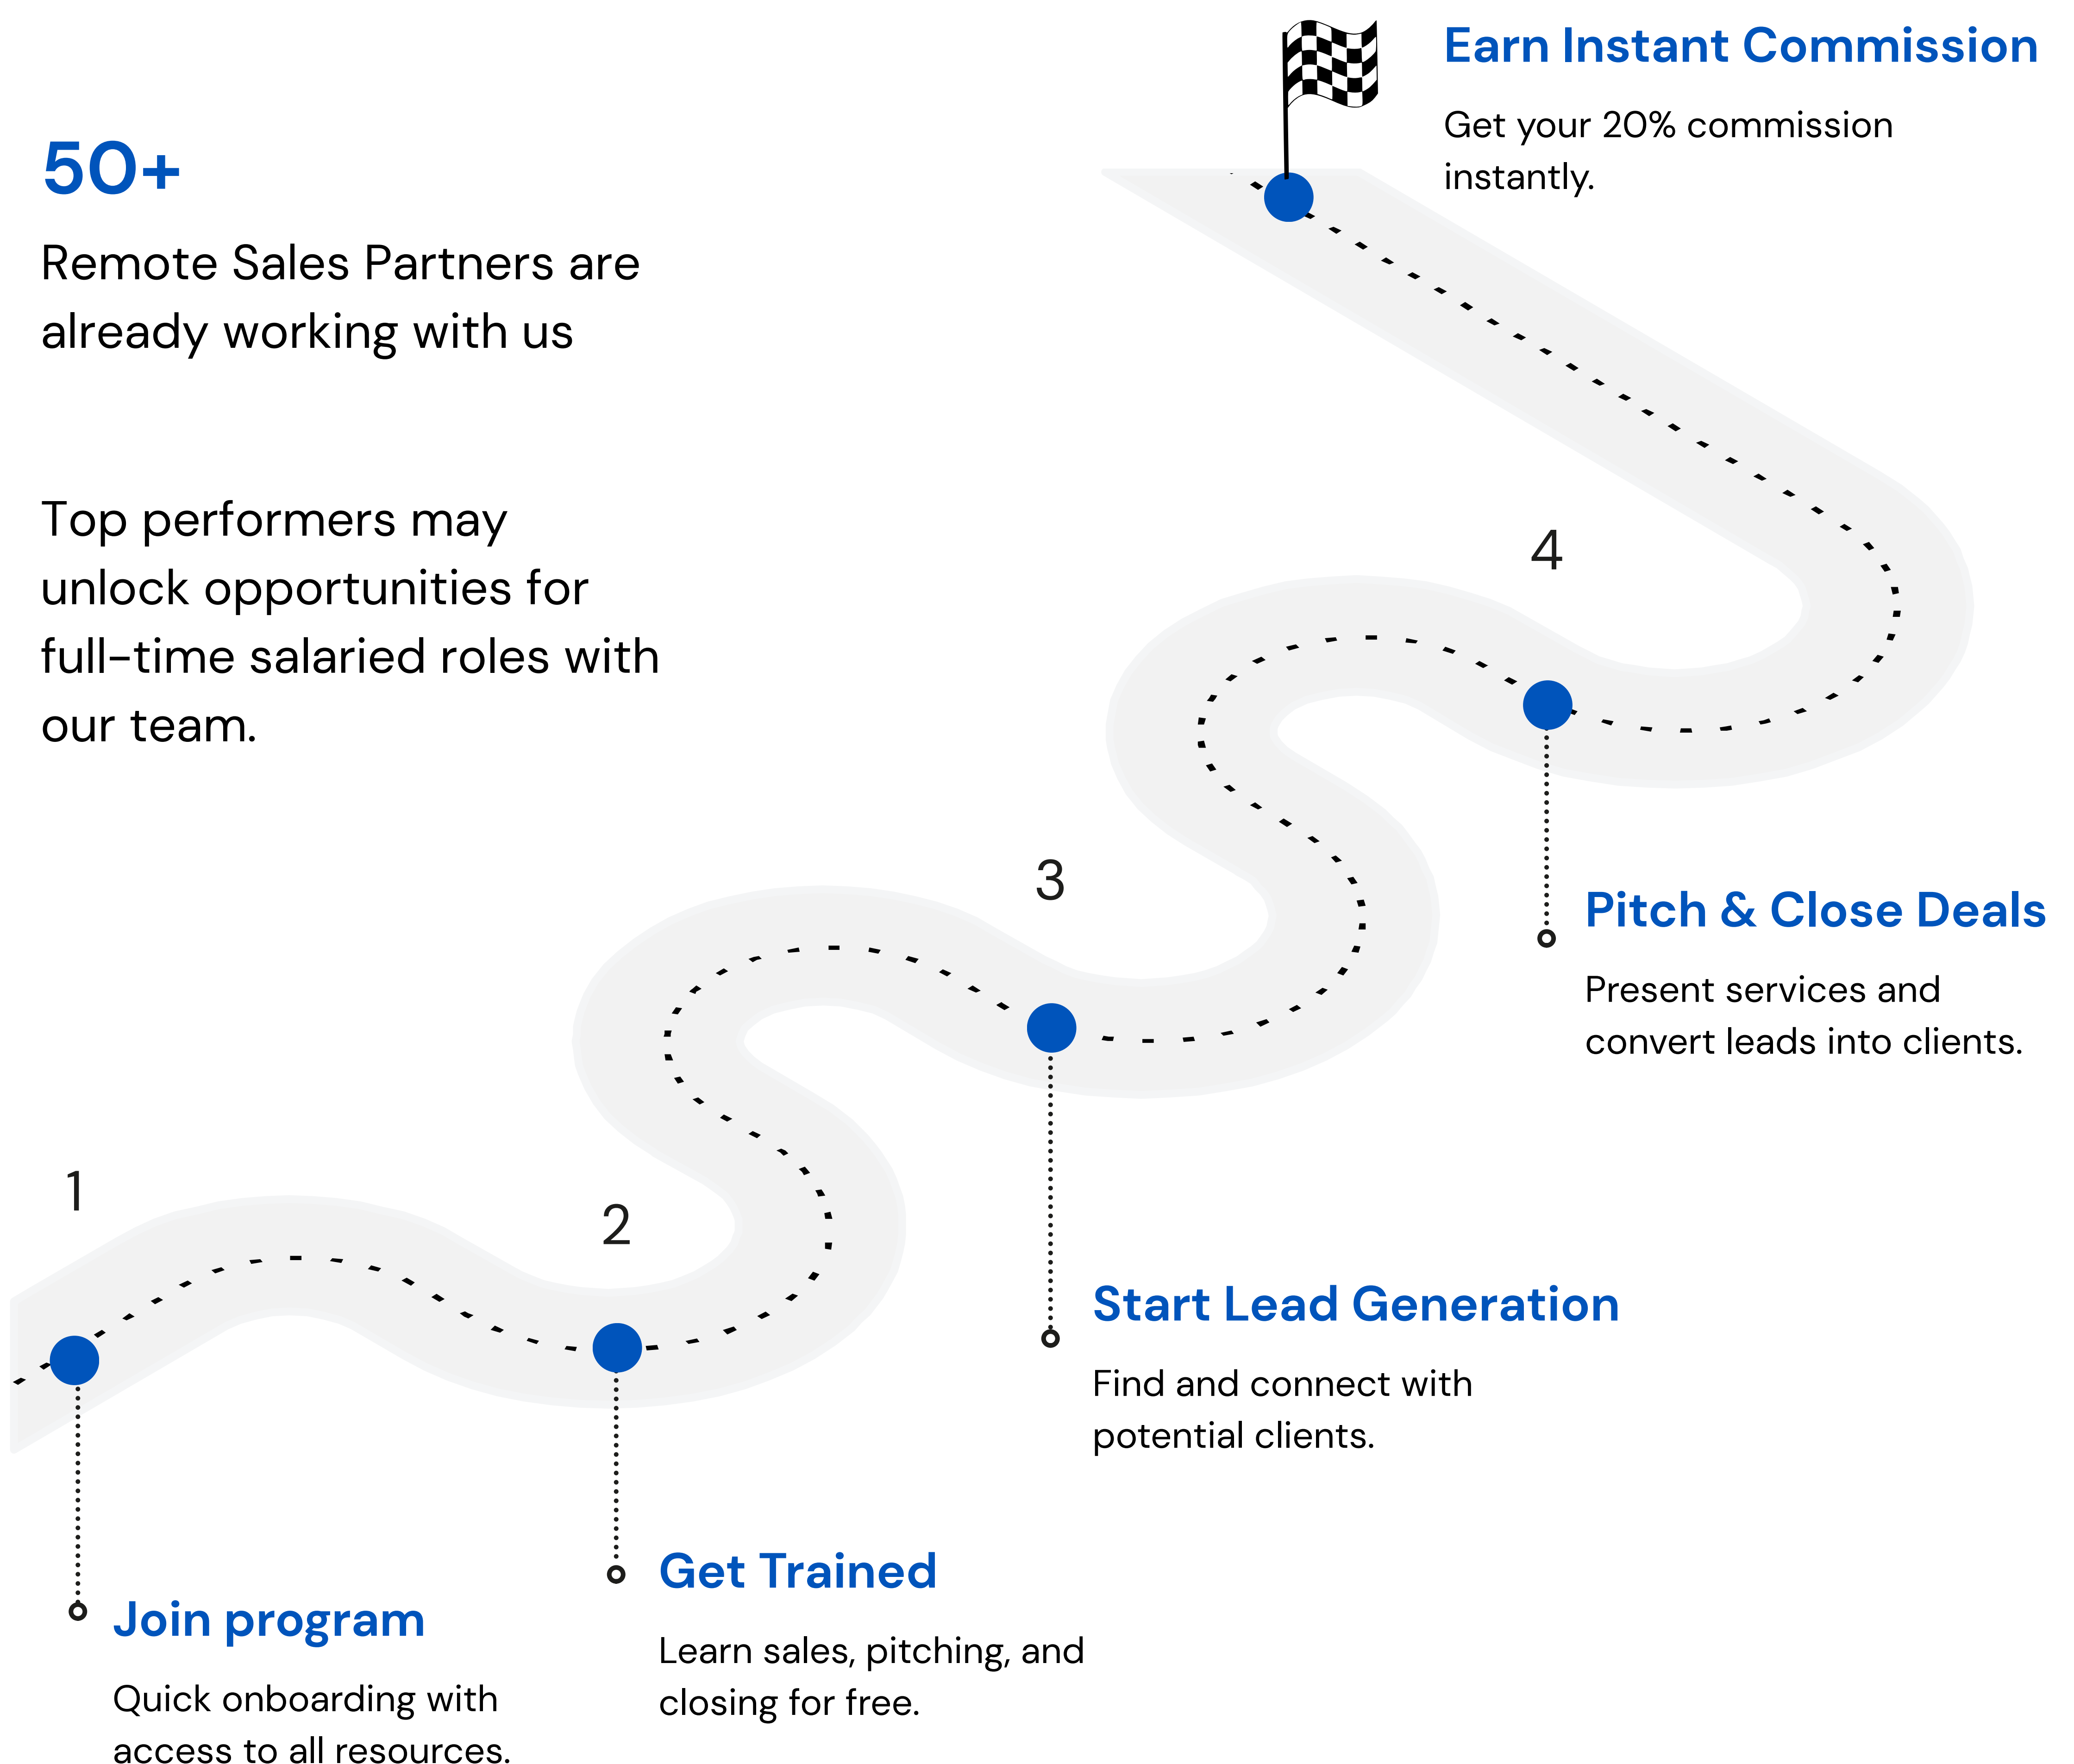

HOW THE PROCESS WORKS

In today's world, traditional jobs limit your earning potential with fixed salaries and rigid schedules. At PersonalWebStudio.com, we believe your income should reflect your true potential. That's why we've created a performance-based opportunity where you can earn without limits, learn valuable sales skills, and work on your own terms. Whether you're a student, freelancer, or someone looking for an extra income stream, this program gives you the freedom and support to grow financially—without any upfront investment.
