

PROPOSAL

Custom Web Design & Development Package
for Marketing Agency

Prepared for

Abhishek Bajaj

+91 97115 54855

1. Project Overview:

This project involves designing and developing a professional website for your marketing agency to showcase services and build a strong online presence. The website will include key pages such as Home, About, Services, and Contact to clearly present your offerings. It will be fully mobile responsive and optimized for a smooth user experience. The main goal is to attract potential clients and generate business enquiries through the website.

2. Scope of Work

1. **UI/UX Design:** Design the complete website UI/UX in Figma, including layout, typography, and color system.
2. **Custom Development:** Build a fully custom-coded website using Next.js.
3. **Page Development:** Develop 5 pages (Home, About, Services, Contact, and one additional page).
4. **Responsive Design:** Ensure the website works smoothly on desktop, tablet, and mobile devices.
5. **Domain Deployment:** Deploy the website on the client’s purchased domain and hosting.
6. **Testing & Launch:** Test the website across browsers and complete final launch and handover.

3. Project Timeline

Phase	Task	Completion Date
1	UIUX Designing in Figma	14 - 03 - 2026
2	Web Development	16 - 03 - 2026
3	Deployment & Optimization	17 - 03 - 2026
4	Handover & Delivery	17 - 03 - 2026

4. Pricing & Payment Terms

Service	Cost
Web Design & Development	Rs. 25000

Payment Terms:

- 50% Advanced Payment
- 50% Upon Project Completion

- Project work will get started only after Advanced Amount is paid

5. Next Steps
